2023 BIG CHASE SPONSORSHIP PACKAGE

BIG BROTHERS BIG SISTERS

BIG IMPACT

Many young people in Guelph find themselves in vulnerable situations and facing adversities such as mental health issues, family violence, identity issues or poor living conditions.

When we provide a stable and healthy environment for children, these risks are avoided and these young people gain the confidence to achieve more. When a young person has a mentor, they have someone to act as their champion, offer greater consistency in their life and connect them to broader experiences.

We believe that every young person deserves a positive adult role model to support, advise, empower and challenge them. This is why we work hard to provide life-changing mentoring experiences for over 600 local youth in Guelph.

With your help, we can continue to commit to Guelph's young people by providing them with the highest quality, volunteer-based mentoring programs.

THE BIG CHASE

Big Brothers Big Sisters of Guelph has made their own event inspired by the reality television show "The Amazing Race" called The Big Chase! On October 14th, 2023, 40 teams of Guelphites will race around the Royal City completing a series of 20 different challenges hosted by local businesses and shops. May the best team win!

WHY SPONSOR?

Support Big Brothers Big Sisters of Guelph with the Big Chase on October 14th, 2023. All revenue generated from the Big Chase supports our life-changing programs at Big Brothers Big Sisters.

Our Sponsors receive promotion leading up to the event and during the event. Depending on the level of sponsorship, we honour our sponsors with logo placement on promotions and on event materials. We also offer recognition on digital communications.

The success of the Big Chase is due to the incredible support Big Brothers Big Sisters of Guelph receives from the **community**: local schools, families, friends, local businesses, and corporate sponsors. Whether you support as a participant, a sponsor, a volunteer or a donor, you are supporting the healthy development of children in the community.
